

Toyota Power Infloor

Freedom of Choice – that’s what the Toyota Power Infloor adds to our already diverse product line-up. BraunAbility’s first infloor ramp option stows away neatly under the floor, allowing obstacle-free entry and exit for ambulatory passengers.

The easy ramp angle and added side rail security makes accessibility a breeze. Add to that the sleek Step & Roll seating, and this is another first class mobility option on a world-class chassis.

The latest Toyota Power Infloor is a striking upgrade of an already first-class vehicle. Check it out at a BraunAbility dealership near you!

All dimensions are for reference only.

Dimensions

Door Opening Usable Width (Slide Door)	A	31"
Door Opening Usable Height (Slide Door)	B	54.25"
